#	RESPONSES	DATE
1	Fun fun fun	11/13/2017 8:35 AM
2	Seven games challenged people's perceptions of sound and physical actions in music and art, it took people out of their comfort zone, particularly singers who are used to being a part of a choir and who are not comfortable moving their bodies in rhythm.	11/10/2017 9:30 AM
3	It was like nothing I've ever done - a challenge but well worth it	11/9/2017 3:42 PM
4	At first a little perplexed, but during rehearsals it started to make sense and thoroughly enjoyed the performance in the end. I enjoy exploring different types of rhythm and use of voice.	11/9/2017 9:59 AM
5	Poor organization and late starts at the beginning. Unclear instructions. Better later.	11/8/2017 9:08 PM
6	It was challenging to undertake the music for this project, because it did not make complete sense until we were in the site for which it was composed. A site visit to Humber Street Gallery to see the exhibition it responded to was very helpful.	11/8/2017 9:04 PM
7	Definitely a different aspect on the usual music I am use to. Don't really think I prefer it but it was good to experience.	11/8/2017 5:50 PM
8	I admit I initially struggled with the new way of singing, as I am not all that good at pitching and finding the right note I need to be on, but one thing I've learnt from this experience is working as a team you can help each other achieve the final goal. I was overwhelmed with the support I got from fellow choir members who helped me through this.	11/8/2017 5:07 PM
9	The one disappointment is not being able to see/hear a recording of the event as it happened in the gallery.. The experience of being 'inside' the music was very different from that of being an observer, but we didn't all get an opportunity to be observers - a few did in the practices but I don't think anyone did during the actual event in situ.	11/8/2017 4:25 PM
10	Initially quite worried as a little "way out" for me, but soon grew to really enjoy and feel part of it. Was very proud to have taken part and grateful for the opportunity.	11/8/2017 3:57 PM
11	Prefer activities with singing rather than experimental rhythm work. Aware that a few dropped out for similar reasons. Not very comfortable with the concept	11/8/2017 2:34 PM
12	Challenging but enjoyable	11/8/2017 2:31 PM
13	It could have been more inclusive. The physical nature (clapping/stamping) made it difficult or impossible for some. Also the fairly fluid and evolving nature of the music put some people off, because they like to be sure of what they are asked to do from the start. Personally I was happy to try something different, but it wasn't for all.	11/8/2017 2:23 PM
14	It was a very challenging experience as occasionally the organisation was a bit haphazard, but once groups were finalised it was very enjoyable.	11/8/2017 2:19 PM
15	It created a good sense of fellowship.	11/8/2017 2:05 PM
16	It was hard to get it in the beginning but I am glad that I stuck with it!! It was very interesting&I would take part in another event or happening	11/8/2017 2:02 PM
17	I wasn't too keen on the experimental music.	11/8/2017 1:53 PM
18	This was the event I felt outside my comfort zone and can understand why some people didn't continue to performance but I'm so glad I stuck with it. Just shows it does you good to push yourself at times. I really enjoyed the experience!	11/8/2017 1:45 PM
19	Very much out of my comfort zone, but so pleased I took part in the event.	11/8/2017 1:42 PM
