

OPENING EVENT: MADE IN HULL

**A CELEBRATION OF OUR CITY,
IN PICTURES ON BUILDINGS
CURATED AND CREATIVELY
DIRECTED BY SEAN MCALLISTER.**

**See the city like you've never seen it before.
Join us on a spectacular trail where the streets
speak and buildings tell stories.**

This spectacular opening will use large-scale projection on buildings, illuminated skylines, soundscapes, shop window stories, music, dance and live performance to celebrate 70 years of life in the city.

From Queen Victoria Square to the Fruit Market Made In Hull tells the story of our city in surprising and stunning ways using a series of commissioned artists to represent key stories in Hull's timeline. From the devastation of the second world war through the good times and the hard times this is the story of Hull's characters at work and play. Who we are. What we've lived through. And importantly where we're going next.

Take the trail for an hour, spend the whole evening, or come back for more.

Be part of the story.
