LAND
OF
GREEN
GINGER

If so, we need YOU.

The **Green Ginger Fellowship** is a dedicated team of enthusiasts who share a fascination with the unexplained.

We are currently investigating wooden crates found in an underground vault near Land of Green Ginger. Our first encounter revealed a message on the lid of the first crate we opened - **Acts of Wanton Wonder Are Coming.**

If you see or hear anything out of the ordinary, we want to hear from you. Join our investigations at greenginger.org.

We remain ever curious. Are you?
