What are your thoughts about:

Our delivery Style?

An excellent day. Staff delivered the session in a way that was supportive and allowed the young people to be creative and free to express themselves. The staff were warm, friendly and sympathetic to the needs of our young people. They also ~~did~~ showed they are expert artists but shared this in a way that was accessible and inspired the children.

Our session format?

The idea of splitting time in the gallery and studio was excellent. Young people could see techniques and then use them in their own work. The only negative was the ~~size~~ gallery was a bit too noisy for our pupils with sensory needs but this is because of the success of city of culture! Dom was sympathetic to this and made appropriate alterations.

The contents of our session?

It was excellent to hear an insight into the creative process of an artist, their understanding of the Turner Prize and have the chance to create fantastic art.
