Today people talked about big/global issues abt more than Over 60's. "If you change the world..."

Grouping by theme in the afternoon meant some discussion was repeated and in their comfort zone.

"Impartial facilitation" - it's hard to not bring your own ideas to the table.

Time-keeping - we should have been clearer about nominating a time keeper.

→ trying to mix the abstract/specialist knowledge with more grounded experiences of the city.

↳ Again re-iterate ~~self~~ listening and taking turns to speak. → Make this part of the briefing

↳ "put your hand up" - Not just speaking out

Avoid taking 2 pairs and a lone person on the exchange.

Managed always having 1 person DBI checked in the space, but this was because it was planned for
