WELCOME TO THIS SURVEY

Many thanks for taking part in this survey.

Integral to the evaluation of Contains Strong Language is consultation with members of the Core Project Team. This includes understanding how you feel the project has gone overall; how your involvement in the project has impacted upon you; and how you feel live delivery of the project went.

The answers you provide will be vital in helping Hull 2017 to measure its performance, and identify where it needs to adapt and improve how we work with Core Team members; feeding directly into how other projects are delivered in 2017. Your answers will also enable Hull 2017 to provide evidence to its funders about the difference its projects make to the Core Team members involved; and ensure that future projects of this nature can learn from your experiences.

Please be assured that all responses provided to this questionnaire are anonymous and treated with the strictest confidence.

The survey should take around 15 minutes to complete, so we recommend grabbing a cuppa. Please complete the survey by 14th October 2017.

If you have any questions, or issues with the survey please contact Elinor Unwin, Head of Monitoring and Evaluation via email: Elinor.unwin@hull2017.co.uk.
