None

First Aid / Security Issues:

One child tripped up the stairs on her way to her seat. No injury visible - minor pain.

If an incident has occurred, or first aid administered have you completed an incident form? (tick here if complete - and attach to this report)

Safeguarding:

Action Points:

Discuss whether sand system can be utilized in foyer of venue with Anita from school to create atmosphere prior to film starting.

Lots of children attending swimming lessons throughout the morning, I spoke to venue + they said promo material could be left in care prior to event.
