

To Whom It May Concern

RE: 7 Alleys event in East Park, Wednesday 3 – Saturday 6 May 2017

We are writing to inform you of an event taking place in the **West Events Arena** in East Park during the week of 1 May 2017.

7 Alleys is a brand new large-scale outdoor spectacle specially created for East Hull by internationally touring artists, Periplum. The show will bring the East Hull legend of the 7 Alleys to life through live action, fire and pyrotechnics. 7 Alleys is Act I of the **Land of Green Ginger** project, which takes place across the city, throughout the year.

How will the event affect me?

From Sunday 30 April our team will be building and installing the show set in the west events arena in East Park.

There will be rehearsals taking place on the evenings of Monday 1 and Tuesday 2 May, after dark, which will include sound testing and some testing of pyrotechnic effects. These tests will take place after dark, and will finish no later than 10:30pm.

There will also be sound checks throughout the days on Monday – Wednesday. These will be kept to a minimum.

The live show takes place from Wednesday 3 until Saturday 6 May from 8:45pm until 10:15pm and is made up of amplified sound and pyrotechnic effects, access to the event will be from the main gates on Holderness Road. It is a free event that all are welcome to attend. The park will be clear by 11pm each evening.

The park will be open to public as usual during the day throughout the week, with all work taking place within a contained site. Gates to the park will close each evening at 8pm.

We trust the information supplied here clearly explains the activity that will be taking place in East Park, and this should cause minimal disturbance to residents surrounding the park.

Should you have any queries or require further information please contact us at:
