

THE GREEN GINGER FELLOWSHIP

EVER CURIOUS

Acts of Wanton Wonder are Coming!

Have you experienced any of the following-

- *Apparitions?*
- *Unusual marks?*
- *Strange sounds?*
- *Voices?*
- *Crate discoveries?*
- *Unexplained mists?*
- *Sudden appearances?*
- *Sudden disappearances?*

If so, we need YOU.

The **Green Ginger Fellowship** is a dedicated team of enthusiasts, experts and hobbyists who share a fascination of the unexplained.

We are currently investigating a huge number of wooden crates found in an underground vault between Whitefriargate and Land of Green Ginger. Our most recent encounter revealed a message, seared on the lid of the first crate we opened – **Acts of Wanton Wonder Are Coming.**

If you see or hear anything out of the ordinary, something unexplainable or simply improbable, we want to hear from you. Join our investigations at greenginger.org – no detail is insignificant.

We remain ever curious. Are you?
