# DEPART

**A spellbinding spectacle from internationally acclaimed circus artists, Circa.**

Inspired by the legend of Orpheus and Eurydice, *Depart* will take you on a path through the underworld in this uniquely atmospheric location.

Taking over the cemetery, circus artists will dance above your head, surprising you with extraordinary feats of physicality as they guide you through the space between life and death in this astonishing visual feast.

Led by Yaron Lifschitz, creator of some of the most highly innovative and genre-defying circus in the world, with a creative team including the electronic musician Lapalux, *Depart* brings together acrobats, aerialists, local community choirs and video artists for an experience like no other.

*Depart* is co-commissioned by LIFT, the National Centre for Circus Arts, Spitalfields Music, Hull UK City of Culture 2017, LeftCoast and Brighton Festival. Supported by Arts Council England.
