General Access Comments			
Would have been easy if someone in a wheelchair needed access.			

HULL 2017 SHOW REPORT

General comments:

- FOH
- *Audience were sat far back but still joined in with singing and dancing.*

- BOH
- Hekima requested a CD Player which I didn't know about... one of the teachers at the school let me borrow his laptop for playback

First Aid / Security Issues:

If an incident has occurred, or first aid administered have you completed an incident form? (*tick here if complete - and attach to this report*)

Safeguarding:

Access			
Relaxed Performance	Y	Audio Described	N
Numbers of attendees with access requirements	1		
General Access Comments			
1 person in a wheelchair had no problem getting around the venue.			

HULL 2017 SHOW REPORT

General comments:

- FOH
- *Not many people stayed after the Joan show. Mostly volunteers that stayed and watched.*

- BOH
- No place for Hekima to warm up before his set since it was in the same room as the Joan show. A backstage area for artists would have been nice.

First Aid / Security Issues:

If an incident has occurred, or first aid administered have you completed an incident form? (*tick here if complete - and attach to this report*)

Safeguarding:

If an incident has occurred, have you completed an incident form? (*tick here if complete - and attach to this report*)

General Access Comments			
The difference engine was used to provide captions for the performance.			

HULL 2017 SHOW REPORT

General comments:

- FOH
- *Audience enjoyed the performance and were singing and dancing. The artist was late for his set but the 2017 team and the volunteers did a good job explaining that to the audience and the majority waited for him to arrive.*

- BOH
- One of our speakers broke during the gig so I switched them off as they were overheating. The audience didn't seem to notice.

First Aid / Security Issues:

If an incident has occurred, or first aid administered have you completed an incident form? (*tick here if complete - and attach to this report*)
