Let's dance in style, let's dance for a while,

Heaven can wait we're only watching the skies.

Hoping for the best, but expecting the worst,

Are you gonna drop the bomb or not?

Let us die young or let us live forever

We don't have the power, but we never say never

Sitting in a sandpit, life is a short trip

The music's for the sad man.

Can you imagine when this race is won?

Turn our golden the faces into the sun,

Praising our leaders, we're getting in tune

The music's played by the, the madman.

Now it's much too late for me

To take a second look

Oh, baby, give me one more chance

To show you that I love you

Won't you please let me

Back in your heart

Oh, darling, I was blind to let you go

But they can't see the light (that's right)  
Oh daddy dear you know you're still number one
