Event SUMMARY

(any comments or feedback received / incidents or issues / what worked / what didn't work / participant responses):

Transport - Hull cars @ 3pm - a long wait. Morning was OK.

1 No turned up. With the two tables and mobility issues

it still felt. With 2 tables, the dynamics meant some participants

had a harder time being heard. Afternoon session, it was especially hard

for 3 older ladies. - could agree rules of engagement as adults may not

be used to group dynamics. Session in afternoon got stuck on
