WELCOME

Many thanks for coming along to FLOOD: ABUNDANCE (PART 2) at Victoria Dock.

This questionnaire will be used to see what you thought of the production, and to help us understand what we're doing well, and where improvements need to be made for events that we run in the future.

We're also keen to understand a little bit more about our audiences, so we can measure the effectiveness of our marketing and outreach activities.

It should take approximately 15 minutes to complete, so we recommend popping the kettle on for a cuppa. Why not treat yourself and grab a biscuit too!

Please be assured that all responses provided to this questionnaire are anonymised for the purposes of evaluation and treated with the strictest confidence. No names will be assigned to the results. Please be completely honest in your replies. Hull 2017 and all evaluation partners adhere to the Market Research Society's Code of Conduct and follow the data protection principles set out in the Data Protection Act 1998.

By taking part you can also enter the free prize draw to win an 'exclusive Hull 2017 prize bag' by completing the questionnaire.

We recognise that your time is precious and this is a big ask. All the answers you provide will be vital in measuring the impact that arts and culture has on the city. This will help us, and the arts and culture sector across Hull, make an informed case for continued investment, which in turn means we can produce and attract more shows like this in future.

Please complete the questionnaire by noon (GMT) on Wednesday 3 May.
